

Retreat

God blessed me with another retreat, the last time I visited was really neat. I fed my spirit with his word, listened closely and his voice I heard. He said my child follow me and see how sweet your life will be. From that day on I've done my best to stay out the way and let God do the rest. What he's done for me, he'll do for you, just be faithful, honest and ever so true. Study his word everyday let go and let God have his way.

Fear + Trust

I had a fear of being clean, but now my life is so serene trusting God to make a way in my life from day to day. As he removes the fears I have, I trust him only and win my race. Thank you God for taking my fears and changing my life after all these years.
